TERMS AND CONDITIONS OF SALE

**ALL PRICES ARE F.O.B. KOSTER NURSERY,
BRIDGETON, N. J.**

We give no warranty, expressed or implied, as to description, quality, productiveness, or any other matter of any nursery stock we sell and *we will not be in any way responsible for the crop.* If purchaser does not accept goods on these conditions, they are to be returned at once.

WE ASSUME NO LIABILITY FOR DELAY OR FAILURE IN FILLING ORDERS, DUE TO STRIKES, ACCIDENTS, CROP FAILURES OR OTHER CAUSES BEYOND OUR CONTROL.

To any firms of established credit, our terms are 2% 10 days, 30 days net.

To firms who cannot or will not establish satisfactory references, cash is expected with order.

To limit disposition of our material to nurseries and plant markets, orders must be written on printed stationery or a business card must be enclosed.

All small orders (less than 100 plants) must be called for at the nursery, with the exception of specimen plants. We would greatly appreciate it, if customers would pick up their material at the nursery whenever possible; however, we have in our locality a reasonable trucker who has given us excellent service in the past. You will understand that a full trailer load will be the cheapest means of getting your order home. Less trailer loads are combined with small orders and will bring a small additional cost to the customer.

All quotations are subject to prior sales and confirmation, in accordance with our usual terms and conditions.

**BOXING AND PACKING CHARGES
ADDITIONAL AT COST.**

JAPANESE BEETLE CERTIFICATES

SUPPLIED FOR ANY SHIPMENT ON REQUEST

All Rhododendrons and Azaleas are Grown in DDT Treated Ground and can be shipped to any part of the country without dip treatment under the Japanese Beetle Quarantine.

**ALL SHIPMENTS ARE ACCOMPANIED BY A
NEW JERSEY CERTIFICATE OF HEALTH.
ALL CLAIMS MUST BE MADE WITHIN
10 DAYS AFTER RECEIPT OF GOODS.**

Fellow Nurserymen:

We have changed our catalogue from the customary book form to a handy booklet which we believe you will find more convenient to carry around.

So far, our growing season has been very favorable, and we sincerely hope that we will not have a repetition of last year's drought and hurricane. Our Evergreens have been sheared and care has been given to feeding, root pruning, and other important matters to produce a fine plant.

Due to the high cost of operating, we are obliged to raise our prices on most of the material. It is our policy to grow quality plants, and care is given to the fullest extent to produce merchandise that measures up to standard.

An invitation is extended to visit our nursery at any time. You are always welcome.
